	Sl. No	Date of SLC Meeting	SLC Decision	Statues of the issue				
	1	26/08/04	Target -2000 Pipeline Industry - M/s Anjana Explosives Unit-II, Peddakaparthi (V), Chityal Mandal, Nalgonda Dist - Sanction of Incentives for the entire cost of Land & D.G Set - Revised orders - Reg. ***** The SLC has decided to refer the issue to the Government for considering the entire cost of land amounting to Rs.29,26,251/- for sanction of sales tax based incentives as 'Pipeline Industry' under Target-2000 scheme, since the explosive units require large are of land to confirm to the safety norms/regulations and to maintain statutory minimum distances between various storage areas and manufacturing areas to obtain the approval of the Chief Controller of Explosives, Government of India. Accordingly, the proposals were sent to the Government vide No. 30/2/02/1036, dt.24/09/2004.	Government Orders are awaited				
	2	31/01/05	Clarification on filing of applications for Sanction of incentives under NIP – 2000-05 Scheme by those units who have already applied for Central Grant under MFPI scheme, Government of India and whose cases have been rejected by Government of India; and also those units which intend to withdraw their claims from central grant. ***** The SLC has discussed the issue in detail. A number of Food Processing Industrial Units have already filed applications for Central Grant under MFPI schemes and they are pending with Government of India for quite some time	Government Orders are awaited.				

		and in some cases the pendency is as long as two years. It is not known whether Government of India would eventually issue sanction orders to all these pending applications. Most of these units are otherwise entitled for incentives available under the State incentive scheme NIP-2000-05 also. Since they have already applied to Government of India and their cases are pending with Government of India they are not allowed to apply for incentives under State scheme as it has been the practice not to allow availment of incentives by industrial units under both the schemes. In this connection, it is noted that the industrial units whose claims would be rejected by Government of India would be placed in a piquant situation of not being eligible to file claims under State policy as in most cases they would have crossed the time limit of six months from DCP for filing such an application under NIP-2000-05. Further, in certain other cases some of the industrial units may be willing to withdraw their applications pending with Government of India and instead opt for State incentives available under NIP-2000-05. In all these cases it is therefore necessary that their claims should be admitted without insisting on the condition that the claim should be filed within six months from the date of commencing of the production. Further, all such applications of ELIGIBLE Food Processing industrial units for availing State incentives under NIP-2000-05 scheme, they should file their claim applications within (3) three months from the date of rejection or withdrawal of their application from MFPI, Government of India to concerned DICs in the State. The SLC decided to recommend to the Government for consideration, amending of

Due to this the beneficiary of the scheme is playing only a role of “inabsentee Land Lord” and is involved in other activities like mobilization of some more vehicles under this scheme.
