	2	31/01/05	Clarification on filing of applications for Sanction of incentives under NIP – 2000-05 Scheme by those units who have already applied for Central Grant under MFPI Scheme, Government of India and whose cases have been rejected by Government of India; and also those units which intend to withdraw their claims from central grant. *** The SLC has discussed the issue in detail. A number of Food Processing Industrial Units have already filed applications for Central Grant under MFPI scheme and they are pending with Government of India for quite some time and in some cases the pendency is as long as two years. It is not known whether Government of India would eventually issue sanction orders to all these pending applications. Most of these unit are otherwise entitled for incentives available under the State incentives scheme NIP-2000-05 also. Since they have already applied to Government of India and their cases are pending with Government of India they are not allowed to apply for incentives under State scheme as it has been the practice not to allow availment of incentives by industrial units both the scheme. In this connection, it is noted that the industrial units whose claims would be rejected by Government of India	The Government examined the proposal and decided to close the matter without further action as it is not desirable to reopen old policy cases. 			would be placed in a piquant situation of not being eligible to file claims under State policy as in most cases they would have crossed the time limit of six months from DCP for filing such an application under NIP 2000-05. Further, in certain other cases some of the industrial units may be willing to withdraw their applications pending with Government of India and instead opt for State incentives available under NIP-2000-05. IN all these cases it is therefore necessary that their claims should be admitted without insisting on the condition that the claim should be filed within six months from the date of commencing of the production. Further, all such applications of ELIGIBLE Food Processing industrial units for availing State incentives under NIP-2000-05 scheme, they should file their claim applications within (3) three months from the date of rejection or withdrawal of their application from MFPI, Government of India to concerned DICs in the State. The SLC decided to recommend to the Government for consideration, amending of NIP-2000-05 on the above lines in respect of Food Processing Industries. Accordingly, the proposals were sent to the Government vide letter No.20/1/00/1151, Dt.26/02/2005.
