|  | <p>“the industrial units should obtain prior approval of the concerned financing institution. The financing institutions should ensure that the liability of the sales tax deferment already availed by the unit if any, is passed on to the new management, duly binding them legally before effecting any change of management. Unless the new management takes responsibility to pay back the deferred sales tax at the end of stipulated normal period, no change of management should be effected. Also, unless the new management furnishes an agreement bond to this effect in favour of the Commercial Taxes Department and furnishes the same to the financing institution concerned, no approval of change of management should be given. Once the new management binds itself with the liability of the already deferred sales tax to the unit balance eligibility, if any, can be released to the new Management. In case of units taking up diversification after the management changes, with the approval of Commissioner of Industries, the balance eligibility of deferment of sales tax can be considered against the diversified production.</p> <p>The above conditions shall also apply to units disposed off by the sale by APSFC and other Industrial Development Corporations. The APSFC/Financial Institutions shall invariably indicate in their sale notice that the new management should have to take the liability of the sales tax deferment already availed by the former unit. The financing institutions should take adequate legal precautions to ensure payment of sales tax after the deferment period in such cases”.</p> <p>The General Manager, District Industries Centre, Sangareddy, Medak District has furnished the following documents: (copies enclosed)</p> <ol style="list-style-type: none"><li>1.
